Choose a book that is just right for you. Pick one that isn't too easy, and isn't too hard, that you can get sucked into. Then set a weekly goal that is just right for you.

There are 30 days in September. If you read 20 minutes every day, that would be 600 minutes a month. If you read 20 minutes every school night, that would be 420 minutes. You are welcome to set a goal higher than this!

Make a list of the books or book you read on the back.
